

This project was started in the Summer of 2017 with the aim to:

- **Record links between and any stories of R.A.P.C. personnel [either military or civilian] and Sussex**
- **Research into any army units based in Sussex with an R.A.P.C. connection, especially Regimental Pay Office Brighton.**
- **Promote greater ties between ex RAPC personnel [military or civilian] with any connection to Sussex.**
- **Promote and increase membership of the South Coast Branch of the RAPC Association**

As part of this project, I am attempting to list all who served in RPO Brighton. I know that this will be a massive task as there must have been hundreds of people who at one time or another have links with RPO Brighton.

Many of you have already sent me details and stories of your times there and in many formats ranging from Facebook entries to emails, for which I very grateful. However, formulating them into a database is proving to be quite difficult and very time consuming.

So, I am going to ask a big favour:

If you have ever served at RPO Brighton and would be willing to share details of your time there; can you click on the link below and complete the form?

As this information is collated, I will be making the information available by clicking on the RPO Page of this website which will contain links to password protected database.
